- Nationals of ECOWAS Member States;
- Not more than 45 years old;
- Computer literate (Word, Excel, Access and PowerPoint);
- Fluent in French and/or English and/or Portuguese, and proficient in one of the other two languages.

JOB SUMMARY

The successful candidate will assist in implementing the project financing policy of the Institution within the framework of project cycle.

DUTIES

- Identify, appraise and prepare projects;
- Monitor procedures for the procurement of goods and services;
- Introduce and follow up on disbursement requests;
- Physical inspection of investments to be realized within the framework of projects financed;
- Verify status of implementation of projects and quality of works;
- Monitor the performance of project execution agencies;
- Prepare periodic activity reports on projects in the portfolio of the Bank;
- Monitor projects until their full completion;
- Perform other duties assigned by Supervisors and Management.

REQUIRED QUALIFICATIONS, EXPERIENCE AND SKILLS

- The successful candidate must be a holder of at least, a Masters Degree in Finance, Financial Engineering, Management, or a related field, or any other equivalent degree from a recognized university or institution of higher learning;
- At least seven (7) years of professional experience in a national or international corporate body involved in project financing and management (Identification, Preparation, Appraisal, Monitoring and Supervision) in various sectors of activity. Experience as a credit analyst in a financial institution or in drafting of business plan in a consultancy firm would be an asset;
- Good knowledge of Financing Arrangements and Structured Finance;
- Strong knowledge of Project Appraisal (Preparation, Appraisal), Monitoring and Supervision (Data Collection and Analysis) and Procurement procedures;
- Good knowledge of Economic and Financial Appraisal, Risk Analysis and Mitigation for projects in various sectors of activity;
- Mastery of financial analysis (accounting analysis of past financial statements, comparative trend and sector analysis by ratios, etc.);
- Mastery of financial modelling (Financial analysis forecasting with sensitivity tests);
- Excellent writing and presentation skills;
- Ability to work in a team in a multicultural environment and to maintain good relations with other staff members;
- Analytical, review, organizational skills and ability to work under pressure;
- Good physical condition enabling participation in field missions;
- Be perfectly bilingual.

NB:

Only shortlisted candidates will be invited for a written test and oral interview. EBID reserves the right to withdraw the notified vacancies.

Interested candidates should submit their applications by email to recrutbidc@bidc-ebid.org, latest by 31st May 2022.

Any application not submitted through this email address would not be acknowledged.
